Contributions		Tuition alone does not cover the full cost of education at BCS. Only through the support of contributions and fundraising can tuition be set below the actual cost of education. With this in mind, we anticipate contributing \$ _____ to Brookfield Christian School during the school year.
Assistance		BCS endeavors to balance the need to provide the highest quality Christian education with the desire to keep tuition as low as possible to make Christian education affordable to as many Christian families as possible. If your family situation is such that you need financial assistance to meet your tuition payments, please contact the school office for a tuition assistance application or email finance@brookfieldchristian.org .

*EFT Authorization Form must be completed each year before deductions can begin. This will be provided before the start of the 2010-11 school year to any families who have opted to pay tuition by EFT.
