

**Pastor Family
Tuition Discount Application**

Brookfield Christian School offers a tuition discount of up to 30% for pastors who meet certain qualifications. The pastor must be Christian ordained, and must also be actively engaged in a regular, full- or part-time church ministry. By receiving a discount, the pastor is expected to actively support the cause of Christian education at Brookfield Christian School and promote BCS in their church and the community. At its discretion, the Finance Committee may also consider full or partial discounts for pastors engaged in a full time ministry that includes an outlet for significant promotion of BCS. Please note that if a discount is granted, no other tuition discounts, such as multi-student discounts, are applicable. Approvals are also based on budget constraints.
